Please use this information to handle incoming media and citizen calls regarding the Gold King Mine release and EPA's response activities. Thanks, David.

Local and national media inquiries should be forwarded to press@epa.gov.

A phone line has been set to handle local and national media inquiries; that number is [970-812-3351](tel:970-812-3351) and will be staffed by press officers within the Joint Information Center in Durango, Colorado.

A toll-free citizen hotline has been established with English, Spanish and (soon Navajo) operators at 844-607-9700.
